

Sunday Afternoon

My Dear Barbara.

Your nice letter came yesterday and I am glad to know that at last you got your suitcase what a shame did they have to go from the ranch to the station the second time. Tuesday being the 4th of July I didnt get my trunk untill wednesday afternoon and I begin to wonder if they had gotten on

one thing I miss very much
there isn't a child anywhere
about the place. so you may
know how I would like to
see the Byrnes kiddies tell your
Aunt Edith the apples were fine
and we enjoyed them immensely
~~fruit & vegetables are not so~~
plenty - as at Santa Cruz. we
didn't go down town the 4th
but sat on the edge of the
hill and saw the fire work
in the evening it is very quiet
here once in a while an auto

cheeks mixed I know you
are having a nice time
and I hope you will run
and play and get real fat.
I wish you could see this
place it is so pretty right-in
the woods. the house where
Aunt Sam teaches is only about
as far as your house on Union St
to Mission St for our Bungalow.
and then about seven other
little houses very near us
where the different teachers and
some of the students live

goes spinning by. I am glad
you are having such a nice
time hope you will write to
me again. Aunt Susan is
busy writing but sends her
love to both you and Aunt Edith.
I wish you were near enough
to step in and see us real of fer
now I must stop with love
to Aunt Edith and heaps to
yourself. remember me kindly
to your Uncle
