Dear Barbara

I have waiting 1 hr + 3 quarters for the parade & it gives me a
pain. I could be reading the "Horseman of the Plains" at home & be
see the parade. I am inside the bands writing this standing up.
An then the parade began it was funny as anything
They had men bathing babies and most of them
weighed 200 lb. They had a baby parade and
fake men nurses. I am writing this in school at
Mission Hill Nov. 9, 1926. You can show this letter
to Helen Jo if you feel like. I better stop & get my
dirt meter Mr. Scoot is giving. Worked 2 hr 17 min.
